PROFESSIONAL SUMMARY

Final-year Bachelor of Computer Science student specializing in Data Science with hands-on experience in machine learning, web application development, and business intelligence. Seeking a 6-month internship to contribute to AI/ML, software engineering, or web development projects while expanding technical expertise.

EDUCATION

Bachelor of Computer Science (Specialized in Data Science)

Tuanku Syed Sirajuddin International Islamic University (UniSIRAJ)

Expected Graduation: March 2027 | CGPA: 3.52/4.00

Diploma in Computer Science

Universiti Teknologi MARA Kedah (2017–2020) | CGPA: 3.00/4.00

RELEVANT COURSEWORK

- Statistics with R
- Fundamentals of Artificial Intelligence
- Programming for Data Science
- Business Intelligence
- Advanced Machine Learning
- Data Mining

TECHNICAL SKILLS

- **Programming:** Python, Java, C++, SQL
- **AI/ML:** Scikit-Learn, Pandas, NumPy, Data Mining, Predictive Modelling, K-Means
- **Web:** HTML, CSS, JavaScript, PHP
- **BI:** Power BI, DAX
- **Tools:** Google Colab, VS Code, Borland C++, NetBeans, MySQL, Git, GitHub

PROJECTS

- **Integrated Muallaf Support and Guidance System**
 - Developed a full-stack web platform for Muallaf management.
 - Applied Python and Scikit-Learn for data segmentation and outreach analysis.
 - Designed MySQL database and responsive interface.
 - Performed testing and debugging.
- **Interactive Power BI Dashboard**

- Built KPI dashboards using DAX.
- Transformed raw CSV data into actionable visual insights.

AWARDS & ACHIEVEMENTS

- **Dean's List Award** for Semester 5, 2025 with CGPA: 4.00
- **Gold Medal**, UniSID 2025 (Category B – IPT Students) – Integrated Muallaf Support and Guidance System
- **Outstanding Award**, UniSID 2025 – Integrated Muallaf Support and Guidance System
- **1st Place**, Business Model Canvas (BMC) Pitching Competition, Mini Carnival Edupreneur 2.0 (2024) – KUIPs Gig Application
- **Bronze Medal**, International Industrial Revolution 4.0 Exposition (IREX) 2019, UiTM Kedah – E-SAMAN
- **Programming Contest Participant**, Programming & Multimedia Contest 2018, UiTM Kedah

LEADERSHIP EXPERIENCE

- **Member**, Civil Defense Corps (Kor SISPA) UniSIRAJ (2023-Present)
- **Project Director**, Cybersecurity Awareness Program 2025, MPP UniSIRAJ x Pakatan Benteng Maya (PBM)
- **Multimedia Exco**, Student Representative Council (MPP), UniSIRAJ (2024-2025)
- **Committee Member**, Business and Management Sciences Student Association (BASIS), UniSIRAJ (2023-2024)
- **Entrepreneurship Exco**, CYCOM Faculty Club, UiTM Kedah (2018)

PROFESSIONAL DEVELOPMENT

- **Participant**, AI for Good, UniMAP AI Carnival 2026
- **Participant**, AI Talk: Reimagining Higher Education with AI, UniMAP AI Carnival 2026
- **Participant**, Public Speaking Workshop, UniSIRAJ x IIUM (2025)
- **Participant**, IOT Professional Workshop: Embedded System Programming with MCMC – UUM Markerspace (2024)

VOLUNTEERING & CAMPUS ENGAGEMENT

- **Facilitator**, Orientation Week (February Intake 2025/2026), UniSIRAJ
- **Liaison Officer**, Perlis International Sunnah Convention (PISC) 2025
- **Facilitator**, Orientation Week (September Intake 2024/2025), UniSIRAJ
- **Volunteer Tutor**, Projek Anak Didik (2025)

LANGUAGES

- Malay (Native)
- English (Professional)
- Arabic (Basic)
